

Online Continuing Education

To complete your Oklahoma Insurance Continuing Education at: www.stonece.com:

If you have a current account, you may login or click “**First Time to Register**” and complete your personal information.

Click “**Find a Course**” - located in the red navigation bar. Use the drop down menus and fill in the blanks. Select:

Category: **Insurance Continuing Education**

State: **Oklahoma**

License type: _____

Study Method: **Online Courses**

Continue until the list of Available Courses is showing.

Select the course(s) that will meet your needed requirements. Click purchase and proceed through the checkout process.

Select payment method and continue to follow instructions carefully. A credit card billing address is the address where the credit card statement is mailed. Zip code is critical in this information. Your final checkout page will have fields to enter both your email address and, if applicable, a promotion code.

After purchasing the course, you will receive an e-mail from Stone with your course textbook material attached as a PDF file. You may transfer this file to your desktop or another location. You may print the course material. After studying the material and when you are ready to take your exam, return to the website: www.stonece.com and login to your account.

Look for **Incomplete Tests** – click on the course title in red text and you will enter your test.

Your ***Monitor** must enter his/her information and create a password. These entries are case sensitive and must be entered each time exactly as created. After every 10 questions of the exam, the Monitor will be asked to enter the password in order to continue with the test. The test is not timed and can be saved at any point.

At the end of the test, click the “**Grade My Test**” button. You will know immediately if you passed. 70% is required to pass. There are no additional fees for exam retakes.

Once the test is completed, Stone will certify next business day and send a Certification Report to the Oklahoma Insurance Department. Once certified you may login to your account and print a copy of the Certification for your personal records.

If you have any questions, you may contact Stone Insurance Education:
